Advocate for St. Ed's:

The best advertisement is the personal testimony from satisfied parents and students.

You can help St. Edward's by:

- Wear St. Ed's gear in the community and talk about our school when it is noticed
- When someone asks about your child's school, take the time to talk about what you like and how it works for your child
- Share that we have full day kindergarten as well as preschool for 3 and 4-year-olds
- Invite them to visit the school to meet the staff and see the environment

Thank you for advocating for our school! Your involvement will allow all of our students to flourish!
